

Dress Code

Student Appearance

The importance of proper dress for students cannot be overstressed. The dress code and the traditions it conveys demonstrate our commitment to quality Catholic education. It is an expression of unity that eliminates materialistic competition and creates a sense of belonging that strengthens our academic focus and discipline.

The primary responsibility for complying with the dress code lies with the parents/guardians. Parental/guardian support and cooperation are needed.

The administration reserves the right to determine appropriateness of attire in relation to the dress code in particular instances.

Slacks

Students may wear only black, navy blue, khaki dress slacks. Students may wear modest Capri length pants. No athletic style pants, cut offs, pajamas, bibs, leggings, jeggings, stretch pants, or yoga pants are allowed.

Shorts, Skirts, Skorts

Students may wear only black, navy blue, khaki shorts, skorts or skirts. The bottom hem should be no more than two inches above the top of the knee. If there is a slit in the garment, the top of the slit will be considered the height of the bottom hem. Shorts and skorts may only be worn during August, September, October, April, May and June. Cut offs are not allowed.

Jumpers

Students may wear only navy blue, khaki, or blue/green plaid jumpers. Jumper hems must follow skirt guidelines.

Revealing necklines that expose cleavage are never appropriate.

Socks may be any color or pattern that is appropriate for a Catholic school.
