

The Grapevine

GRAND OPENING!

Dedication Set for August 23rd!

Wow! Talk about progress! It was only November 5, 1997 that a ground breaking ceremony was held for the new education center. In less than one year, the Parish and Catholic school have made a giant step forward.

A public dedication ceremony to honor the efforts and to celebrate the opening of the new education facility will begin at 2:00 PM on August 23, 1998. The 25,000 square foot facility will be showcased to Parish, alumni, and friends with Most Reverend William E. Franklin, Bishop of the Davenport Diocese presiding. **You are invited** to share in this celebration.

The new center is attached to the Trinity Elementary building which is located next to Sacred Heart church at 312 S. 4th street. Tours of the two-story building and a reception party will immediately follow. Be a part of this historic moment in the future of our K-12 Catholic school and Parish community! Some facts pertaining to the new education center include:

Milestones for the new education center include:

- Capital Campaign surpassed \$2.5 million Sept. 1997
- Ground broke Nov. 5, 1997
- K-12 school programs at one site
- Dedication Aug. 23, 1998
- School begins Aug. 24, 1998

Our compliments to OPN architects and Design Build Associates of the Quad Cities for outstanding work in designing and keeping the center's construction on track! Also, the Master Plan Coordinating Committee of Mike Rastrelli, Carmen Rolfe, Sharon Roling, Sally Nelson, Ric Aquilani, Tom Bentler, Dave Burke, Mike Pittman, Father Goetz and Father Young have sacrificed countless hours throughout the construction phase.

- Business/technology room (with fiber optics capability)
- Music room
- Art room
- Teacher work room
- Elevator and accessibility
- Central lobby/reception area

A heartfelt thank you to everyone who supported this effort with prayers, encouragement, stewardship and fortitude.

St. Mary's Challenge Helps Prince of Peace

David McAndrews, St. Mary's High School alumnus from the Class of 1957, issued a *St. Mary's Challenge* to his fellow classmates of 1957-1960 in January of 1998. The goal was to raise \$25,000 for the new education center. In April, the goal was surpassed!

McAndrews agreed to match responses dollar for dollar up to a maximum of \$25,000 for the Capital Campaign for the new Prince of Peace Parish education center. The facility would replace the Mater Dei High School and former St. Mary's grade school buildings. Responses totaling \$27,125 were achieved in April. Currently, campaign responses for the classes of 1957-1960 total \$77,550. A plaque commemorating the classes' achievement will be included in the new education center.

Benefits Will Be Substantial

Why a Multi-purpose Center?

The new education center has been referred to as a "multi-purpose" education center. The reason behind the term "multi-purpose" is because the facility will be used for more than K-12 Catholic school.

Besides day-time Catholic School classes, the center will be used for a wide range of activities on evenings and weekends. Such activities will include:

- religious education classes for students in public school,
- family religious education programs,
- adult discussion/education groups,
- Parish youth group activities,
- woman's auxiliary,
- School Board and Parish Council,
- Alumni Association, Booster Club, Girl and Boy Scouts, Knights of Columbus, etc.

The new center will be able to accommodate these diverse organizations and functions, along with a K-12 Catholic school. Best of all, it can be accomplished economically, efficiently and effectively at one site!

What a huge difference this will make! Just consider the fact that over the past years, functions had to be held at seven different buildings spread throughout the city at five Parish property sites. The new education center symbolizes the progress and forethought necessary for building a brighter future!

New Pledge of \$100,000 Received!

An additional gift of \$100,000 has been pledged toward the *Building the Future Together* Capital Campaign, boosting the campaign to 95 % of its \$3.1 million goal. The donor, who wished no recognition for the generous gift, expressed the desire to contribute to the education center's success and further the goals of Prince of Peace Parish.

"This is a tremendous gift from a wonderful person, and the timing was perfect!" stated Development Director David Schnier. "The gift will allow us to acquire upgraded classroom furniture and equipment for the center. It came at a perfect time because the Master Plan committee was needing to place an order soon to have the supplies by Fall for the 1998-1999 school year.

A total of \$2,958,520 has been pledged so far to the five-year Capital Campaign, with over \$820,000 already paid to date.

Thanks to the hundreds and hundreds of supporters including alumni, area businesses, corporations, foundations and members of Prince of Peace who have supported the campaign with their time, talent and treasure.

Donor Wall

The Donor Wall is being planned to incorporate the names of over 900 families, alumni, corporations, foundations and memorials of those who have pledged to the Capital Campaign.

IF YOU WANT YOUR NAME ADDED TO THE DONOR WALL, PLEASE SEND A PLEDGE OR CALL (319) 242-3311 SOON!!!

We would like to have as many names as possible for the Donor Wall by the August 23rd Dedication.

Please be a part of this important Campaign!

Grants are Vital to Affordable Catholic Education

Grants from the Prince of Peace School Foundation and the Regina Gill Trust amounting to over \$23,500 were awarded for "*Guardian Angel*" scholarships and tuition assistance for the 1998-1999 school year. In 1996, the Foundation received a gracious bequest of \$218,000 from the Margaret Judge estate. The Margaret Judge gift is invested and the interest generated from the endowment will provide tuition assistance to families and students requiring financial aid for years to come.

The Prince of Peace School Foundation Memorial Scholarship Funds also included the John Lingle scholarship \$1,000, the Lyman and Ullainee Wareham Memorial \$500, and \$12,000 for general tuition assistance grants. Approximately \$10,000 will be awarded for financial aid for high school students from the Regina Gill Trust.

In addition to the \$23,500 in Foundation and Regina Gill grants, the following family scholarships were also provided to help defray tuition costs:

Deb Lind Memorial Scholarship
 Alvin and Alice Pottratz Scholarship
 Bernard "Bubs" Mayer Scholarship
 Leon McDonnell Scholarship
 Al and Collette Daehler Scholarship
 Thomas "Pinky" McDonnell Scholarship
 Jack Nelson Scholarship

It is through the loyal and generous sacrifices of "*Guardian Angels*", such as our families, parents, alumni and friends, that enable our Catholic Schools to continue an outstanding tradition of excellence in education. To those "*Guardian Angels*" who sacrifice for the sake of Catholic education, we are truly appreciative.

Where There is a Will . . .

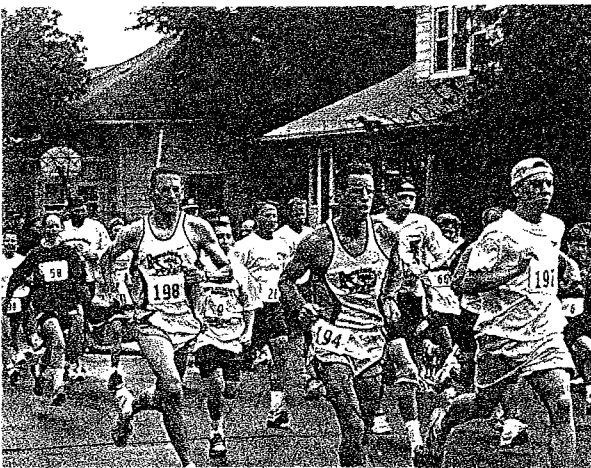

Did you know that it is estimated that 80% of the population who are not college graduates do not have wills, and of college graduates, 60% do not have wills. Do you have a will? Is it current?

It is important that you have a will in place, so that you (rather than state laws) determine how your assets are distributed. In addition to family and close friends, you can also designate gifts to an institution that has greatly affected your life.

A bequest is a frequent form of estate planning because it allows you to make a significant gift to an organization, such as Prince of Peace Education Foundation, without diminishing the assets available to you during your lifetime. Bequests, as well as outright gifts, can generate important estate tax savings.

Prince of Peace Education Foundation provides funds for programs and scholarships to benefit students of Prince of Peace Education System. A \$5,000 contribution can establish a named memorial scholarship fund. Funds are obtained by the Prince of Peace School Foundation through memorials, wills, charitable trusts, life insurance policies and other gifts. Gifts both large and small are greatly appreciated.

Lori Freudenberg is chairwoman of the Foundation (319-242-4173) and Dr. Stephen Decker (319-242-1944) is vice president. For further information, please contact a Foundation Board member or Development Director, David Schmier (319-242-3311).

Deb's Dash Wins!

Memorial Day was especially memorable for those who knew Deb Lind. Deb Lind, who died of cancer last year, was honored by family, fellow teachers, former students, alumni and friends who joined to participate in the first Annual Deb's Dash.

A 1970 graduate of Mount St. Clare Academy, Deb was a former Mater Dei High School/Trinity Elementary teacher. During her 22 year career at Clinton's Catholic schools, Deb Lind taught physical education, health and science. She coached volleyball, basketball and golf, and was athletic director during her last four years.

The one-mile Children Fun Run and 5-K Race began on Memorial Day, at 7:45 am and 8:00 am respectively at St. Boniface Church. T-shirts and prizes were given to top finishers in different age groups. Father Marty Goetz, parochial vicar of Prince of Peace Parish and Board member of the Cornbelt Racing Association (an avid runner himself) helped to organize the first year event and contends that this will be an event to look forward to in future years.

About 287 participated in the first-time ever event with proceeds going to support the Deb Lind Memorial Scholarship Fund at Mater Dei. So mark your calendar - May 31, 1999 will be the date for next year's Deb Dash!

Winners at the Sunset Social

Congratulations to Dan Petersen (SMHS '66), Ed Kross (SMHS '67) and Alma Nichols (OLA '39), three alumni who were prize winners at this year's Sunset Social raffle.

Dan Petersen, who now lives in Madison Wisconsin, was the big winner of the \$7,000 Grand Prize. Dan was a winner in more ways than one, because he generously donated half the winnings to the Building Fund! Thank you Dan, and to all who participated in this year's Sunset Social and Raffle!

ADMINISTRATIVE OFFICES - 525 EIGHTH AVENUE SOUTH, CLINTON, IOWA 52732

Dear Alumni and Friends,

What a proud moment it was to watch the 1998 graduation class leave our old St. Mary's/Mater Dei High School building for the final time. I was very moved by what our students, alumni and friends had to say about the school and our future. We've included some brief information about our graduates, and surely you can be proud of this year's class and their accomplishments.

I won't dwell on details about the new building, but suffice it to say, it is an impressive, "top shelf" facility! I am proud to be the first principal in this new building which will become the new home of our Mater Dei High School. This is truly an exciting time and a historical moment for Catholic education!

I would like to invite those of you who worked so hard in many ways to make this new facility a reality, to an **INAUGURAL RECEPTION** which will be held from 7:00 p.m. to 10:00 p.m. on August 22nd in the *McAndrews Shamrock Student Union* of the new education center. This reception will offer entertainment and refreshments at the new building the night before the August 23rd public Dedication Ceremony.

Seating for the **INAUGURAL RECEPTION** is limited, so please RSVP by August 10th to our office at (319) 242-1663 or (319) 242-3311. Cost for the August 22nd Reception will be \$15.00 per person, or \$25 per couple. Proceeds from the reception will be used to equip our new fiber optics communication network room!

Your continued support is crucial to our future success. Please keep in touch and please keep in mind our "*Guardian Angel*" program which directly helps those who need financial assistance. You remain in our prayers.

Sincerely

Dave Burke

Mr. David J. Burke
Principal
