Alumni Association presents: 2010 Sunset Social

All-School Alumni Event
Saturday, July 31, 2010
Tuscany Room at Rastrelli's Restaurant

Planning has continued on the Sunset Social. The event is planned for alumni of Clinton Catholic Schools, as well as friends of Catholic education. The Alumni Association is excited to present an event that will gather graduates of Prince of Peace College Preparatory, Mater Dei High School, St. Mary's High School, Mt. St. Clare Academy, and Our Lady of Angels Academy. It is also important to include our "friends", whether they are parents who sent their children to one of the schools, parishioners or community members.

Alumni Association president, John Griffin says, "We hope that this becomes an annual event. We look forward to alumni and friends putting this event on their calendars every year. We will have at least three classes who are celebrating their reunions. They will not only get to see their own classmates, but also those who have attended school the years before and after them."

~~~~~  
If you are having a class reunion, please email a photo and identify the class members for the next issue of the Grapevine.

Dear Alumni,

The end of a school year is bittersweet. We gaze back on the year and all of the accomplishments of our young people. We have experienced great success in sports, the arts and, of course, academics. We graduated twenty-three fine young men and women to add to the alumni roll. I am always in awe of the hard work, dedication and commitment to education that our students value. Academic success cannot always be quantified but the numbers are impressive none the less for this graduating class. For freshman year scholarships, these students earned \$122,550. Adding in four year scholarships the number reaches almost \$300,000. Wow!! This clearly indicates that our Catholic school provides our students with an excellent education and prepares them well to meet the challenges of college and university demands.

Our most recent graduates, like so many who have gone before, choose to prepare themselves for careers that reflect Catholic values of service and leadership. Careers in business, medicine, environmental science, education, musical theater, law, culinary arts and pharmacy are part of the life goals of our graduates. Our students, as they grow closer to senior year and graduation, understand that "life" isn't just about getting the diploma. Our seniors are provided a day of reflection right before graduation. One strong thread of understanding that weaves through the day is the importance of relationships. The relationships developed between student and teacher, among friends, with their coaches and with church impacted who they are now and who they will become in the future. Catholic education is a great place to start youth on the right path in life.

As we rejoice with our new alumni, reflect on how your Catholic education has formed you, your life decisions and choices. I ask that you keep not only our new graduates in your prayers, but also our school that it remains strong in its mission to "provide educational programs which promote Gospel values and Catholic tradition in the context of a changing world."

In another week, we will also be saying goodbye to our pastor of twelve years, Fr. Tony Herold and parochial vicar of five years, Fr. Thom Hennen, as they leave Prince of Peace for new assignments. We have been so fortunate to have them be part of our school as board members, teachers in our classrooms and as our priests. We will miss them both very much.

In Christ,
Nancy L. Peart, Principal

PRINCE OF PEACE EDUCATION FOUNDATION

Scholarships

Over the years, many alumni and friends of Catholic education have established scholarships to be given to current Prince of Peace students to offset tuition costs. Most of these scholarships serve as a memorial to a loved one who understood and appreciated the unique academic and spiritual experiences of a Catholic education.

A scholarship can be started with as little as \$5000 (an annual scholarship of approximately \$250). The scholarship amount is then determined by the interest earned on the original fund, making sure that the scholarship will impact Prince of Peace students year after year. The scholarship funds are managed by the Prince of Peace Education Foundation.

At an awards assembly on May 19th, many family members of our memorial scholarships were able to present the scholarship award to the student recipient. The scholarship awards for the 2010 - 2011 school are as follows:

Jack Nelson Scholarship - \$500
 Leon McDonnell Scholarship - \$500
 Bernard "Bubs" Mayer Scholarship - \$500
 Vernon Witt Memorial Scholarship - \$300
 Harvey Suehl Memorial Scholarship - \$350
 John Lingle Memorial Scholarship - \$950
 Student Council Scholarship - \$200
 Coupe DeVille Scholarship - \$200
 Dorothy Benishek Pratt Scholarship - \$500
 Fred Benishek Memorial Scholarship - \$500
 Harry J. Pratt Endowed Scholarship - \$300
 Christian Experience Weekend Scholarship \$200
 Lyman & Ullaniee Wareham Scholarship \$600
 Deb Lind Scholarship - two \$775
 Lucille Jensen Memorial Scholarship - \$300
 Jack Dermody Memorial Scholarship - \$350
 Margaret Dillon Memorial Scholarship - \$300
 Thomas E Hansen Scholarship - \$500
 Thomas "Pinky" McDonnell Scholarship - two \$900

Regina Gill Trust was established to support families of high school students who have a financial hardship. Funds from this trust are received and distributed every year.

Christy Roth Service Scholarship

Established

The Christy Roth Service Scholarship was established through funds donated by family and friends of Christy, who passed away on August 28, 2009. Christy is the wife of Paul Roth (SMHS 1979) and the mother of Prince of Peace students Shannon, Cameron, and Nic Roth. Christy was an extremely active school parent having just completed her sixth year on the Prince of Peace School Board as president shortly before her death. Christy had a strong belief in service to her community, church, and school. The Christy Roth Service Scholarship serves as a celebration of students' service to others. The first scholarship, in the amount of \$250, was presented at the 2010 Commencement Exercises in which her daughters Shannon and Cameron graduated.

Kylee Hyde Scholarship

Family and friends of Kylee Hyde are raising money to establish a Prince of Peace Scholarship. Through the sale of Kylee Hyde memorial window stickers and an annual Kylee Hyde Memorial Golf Tournament on September 4th, the family hopes to establish two scholarships. The first will be a one time college scholarship for a Prince of Peace Prep graduate from the class of 2011 (Kylee's class). The second scholarship will be a memorial scholarship given each year to a Prince of Peace student.

Kylee is the daughter of Erik (MDHS 1988) and Amy Waldorf Hyde. Granddaughter of Lauren (SMHS 1955) and Judy Hyde. Niece of Sherri (SMHS 1977), Debbie (SMHS 1979), Terry (SMHS 1980), Angie (MDHS 1982), and Coley (MDHS 1987). Kylee attended Prince of Peace Schools, along with her two brothers and one sister until the family moved to Greenville, WI in 2008. Kylee was killed in a car accident on February 2, 2010 at age 17.

Window stickers are on sale in the school office. Information on the golf tournament is on the school website or contact Sherri (Hyde) Allen at:
www.Sherri.Allen@xerox.com

Laura (Frey) Bynum Anderson

Memorial Endowment Fund

A memorial endowment fund is being established through the Scott County Family "Y" to ensure Laura's passions and her legacy live in perpetuity. The fund will support cancer and cardiac programs and services at the Scott County Family Y, which are areas about which she was very passionate.

Laura Bynum Anderson (MDHS 1994) is the daughter of John and Cheryl Frey. She is the sister of Robert (MDHS 1990) and Deborah (MDHS 1987). Laura died on January 8, 2010 at age 33 from a heart condition. Classmates and friends of Laura's can call the Scott County Family Y's Development Office at 563•332•0234 for more information.

Errors & Omissions

From the Development Director

I hope this column doesn't get any longer than this. I try to be as accurate as I can, but as you can see, I sometimes fall short. I apologize for the following errors and omissions.

Omission: Irish Annual Appeal Margaret Maloney (OLA 1960)

Correction: Irish Annual Appeal Geraldine Voss was incorrectly listed as a St. Mary's High School graduate. She is a 1956 graduate of OLA.

Omission: The feature article in the Winter 2010 newsletter regarding the Sunset Social omitted St. Mary's High School in the list of schools. This is really embarrassing as I am a graduate of SMHS as well as my two "proofers".
