Hail & Farewell

Fr. Anthony Herold, Pastor

Welcome to Rev. Anthony Herold, our new Pastor and Rev. Lawrence Smith, our new Parochial Vicar to Jesus Christ, Prince of Peace Parish. Both priests just arrived-July 5th-with Fr. Herold coming from Ottumwa, Iowa and Fr. Smith from Iowa City, Iowa. We are blessed to be able to welcome two wonderful priests to our Parish community!

Fr. Lawrence Smith

Our farewell to Rev. Ronald Young, Pastor of Jesus Christ, Prince of Peace Parish, to Evelyn Benedict, Parish book-keeper, and to Rev. Dr. Parker Ogboe, Parish Parochial Vicar.

We wish Fr. Young an enjoyable six month sabbatical. His new address will be:
429 West Belmont 17D,
Chicago, IL 60657.

Evelyn retires after serving the Parish for 10 years, and Fr. Parker will become chaplain of the University of Iowa Hospital.

Farewell to (L-R) Father Ron Young, Evelyn Benedict and Father Parker Ogboe. We are grateful for your faithful service.

Joseph Timmer Gifts

It wasn't such a surprise that Joseph J. Timmer included his Parish in his will, but the amount sure was. After all, Joseph Timmer was a consistent giver to the church, and faithfully attended daily Mass, but he also lived a modest lifestyle as a retired truck driver.

His nephew Jim Timmer, Sr. (SMHS'46) recalls how his uncle Joe always wanted to give back to the church. "All his life that's what he intended for his money." Not only did Joseph bequest \$448,252 to Jesus Christ, Prince of Peace Parish, but he also included a \$225,000 gift to the Catholic Near East Welfare Association.

Fr. Young, Parish pastor when the bequest was made, knew Timmer took support of the Church seriously, but was surprised by the amount of the unrestricted gift. Joseph Timmer was blessed with his gift of faith and he expressed that faith and gratitude to God through his estate plans.

New Center is Better - Just Ask Karen

K

aren Cossman has been an Art teacher at Mater Dei Jr./Sr. High School since its formation from the merger of Mount St. Clare Academy and St. Mary's High School in 1980. Karen is one person who can testify to the beauty of the new Prince of Peace Education Center. Karen, who has been confined to a wheelchair from an auto accident in 1979, encountered many barriers at the old high school building.

"I'm free to travel to any area of the Center. I feel more included in the school's life.

**Karen Cossman,
Art Teacher**

Karen had to enter the old school building from a ramp and go to her first-floor Art Room, but the concrete ramp was her only convenience. There was no access to the 2nd floor, the small gym, the teacher's lunchroom or school restrooms. The only accessible restroom would require her to wheel outdoors to go over to Central Catholic Auditorium. "Now, I am free to travel to any area of the Center. I feel more included in the school's life. I can enjoy lunch with my fellow teachers, visit any classroom I wish, and be part of the many activities that are held in the auditorium,

cafeteria, library/media center or music room," states Karen. She loves the view from the windowed wall of the *Shamrock* Student Union. One thing she would like to see someday, would be automatic door openers on the front door, but Karen feels very fortunate to be in the new facility.

New Center is Multi-Purpose

A

ugust 23, 1998 was the Dedication date of the new Prince of Peace Catholic Education Center. On August 24th, the first day of the 1998-1999 school year began for grades K-12 in the modern facility site at 312 South Fourth Street, next to Sacred Heart church. Since that day, the multi-purpose education center has lived up to its expectations with amazing success. The center has become a mecca in the life of our Parish community, serving a variety of people, programs and organizations.

In addition to bringing the Parish K-12 Catholic school system to one site, the new addition provides a new home to families and public school students who are involved in the Parish Religious Education Program. The new facility is air-conditioned. It also provides a new music room for all grade levels of our Parish school and Parish religious education program. "The new center far exceeds the closet area, stages, insufficient classroom space and lack of noise control which our children, teachers and catechists had to tolerate over the years," states Betty Mantsch, Director of Religious Education.

Thanks to the gift from the Rick and Cyndi Winter family, a brand new elevator was funded for the education center. Their gift helped make the dream of a fully accessible, K-12, multi-purpose, education facility a reality. Because of its unique architectural design, the two story facility is now handicap accessible throughout the entire building, for all grades.

In addition to the Parish school and religious education programs, the education facility is used extensively for ongoing meetings or events from various groups and organizations. These include: Parish Council, Parish Finance Council, Parish School Board, Prince of Peace Education Foundation, Parish Youth Group, Women's Auxiliary, Knights of Columbus and the SHARE Program. The new addition adds 25,000 square feet of climate controlled space onto the existing elementary building which was constructed in 1957.

Go IRISH!!

Music is flowing beautifully from the Margaret Quinn Music Room! In the below photo, students from the Irish Advanced Band practice for music teacher Joan Hosch. Both the Beginning Band and Advanced Band from Trinity have provided entertainment for our community through liturgies, Art festivals, the spring and fall plays, and even during the St. Patrick's Day Parade in the Quad Cities.

Thanks to the Quinn family, the Margaret Quinn Music Room is performing beautifully!

Students Achieve and Have Fun!

Fifth graders from Trinity received third place out of 16 schools during the *Eco-Meet* sponsored by the Army Corps of Engineers. The team studied topics relating to forests, prairies, water safety, and Indians who lived along the Mississippi River.

The students prepared by researching, attending lectures, and taking an exam. Trinity students pictured are (L-R) Anne Freudenberg, Kelli Krogman, Valerie Kommer, Alexandra Drury, and Emma Nelson. They were coached by Lori Freudenberg and Sally Nelson. Congratulations team!

Dear Parish family, alumni & friends

From our students

I really love it here. Since I have started here my grades have risen, I have joined in more after activities, and I feel a lot better about myself. It is very fun here. Homecoming week is so much fun, and the teachers here are the best. Personally, Mrs. Schillinger and Mrs. Kuehn are my favorites. They have inspired me to do things I would not have the courage to do. The school is very family oriented. I believe I will be better prepared for college here than in public school, although they provide a wonderful choice of classes for the future. Sincerely, Jennifer Brown, 8th grade.

"I really love it here!"

Jennifer Brown

It is very easy for me to express that the highlight of my 1998-1999 school year at Mater Dei High School was my experience with basketball. Such a decision to participate in a somewhat intimidating sport opened my eyes to the importance of teamwork and cooperation. Although because of my inexperience I did not particularly succeed, I gained things that cannot be recorded. I gained strength and courage. Sincerely, Rana Barakat, 10th grade.

"Thank you for all you have done for us."

Sean Connell

I would like to thank you for all that you have done for us this school year, like helping build our school. It has been a really fun school year and I have had a great time with the extra curricular activities that I have participated in. Thanks for your support. Sincerely, Sean Connell, 8th grade.

My name is Ethan Woods and I am in track. The thing I liked about this year was all my grades. We have a big report coming up on Monday the tenth - it's about the Y2K problem and I am almost finished. The best thing was that I was new this year and all the teachers and students were very nice and helpful to me. Ethan Woods, 8th grade

I'd like to let you in on the greatest sports moment of my life. No, it didn't involve me scoring a lot of points in basketball, or hitting a grand slam in baseball. It was during a time when I was sitting on the bench, dressed in a varsity uniform, next to my teammates. In a brief few seconds we had defeated the Big East Conference undefeatables. When Matt Hoerschelmann made a basket as the buzzer sounded, I was filled with utter excitement. It was great! We defeated Preston, and no one thought we had a chance. As long as I can remember, I'll never forget the way the crowd saluted us. Sincerely, Ryan Murphy, sophomore.

This year, we, as a school have participated in many fun activities. My favorite parts of this year were seeing people I know do an excellent job in the musical "Carousel," participating in volleyball and having a close to undefeated season, and being in the new school building. It is nice to be able to do things as an entire school now that we're all in the same building. I have also enjoyed getting to know all of the many new students who have joined us this year. Racheal VanBuer, 8th grade.

"It is nice to be able to do things as an entire school now that we're all in the same building."

Racheal Van Buer

This year has been a great year. First, I had a brand new school building to go to. Switching from elementary to junior high school was great for me. I also received an award for being in the top 25% in the Iowa Talent Search. It was very neat to see the Iowa State University campus. With activities like history day, rocket day, and finals, I know this year will go off with a big bang! Sincerely, Glen Ancheta, 7th grade.

THANK YOU!

We thank our faithful Parish members, loyal alumni and friends for your prayers and commitment to continuing the Catholic faith and education in our community.

In response to our Capital Campaign visits and an Alumni telethon (conducted in August 1997), many responded with pledges and generous contributions to help build a beautiful, modern Education Center. It was built to help spread God's word to His people, so let's use it often, wisely and for many opportunities. Now that the Education Center is completed, we invite you to visit and tour this new facility when in Clinton. If you have yet to make your commitment, we would welcome it at your convenience.

We are proud of our Parish, our Alumni, and our Friends. We look forward to visiting with you. In gratitude for ALL - our prayers and best wishes to one and all.

Gratefully,
Dave Schnier, SM'79
Director of Development

IRISH MAKE HISTORY AGAIN

By Joseph E. O'Donnell

On February 5, 1999, the Mater Dei Irish celebrated their Homecoming by surprising the state-ranked and otherwise undefeated Preston Trojans. They made history by becoming the fifth Irish squad to spoil another team's perfect season. The other victims (all in tournament) were: Delwood of Elwood in 1965, North Linn in 1977, Preston in 1980, and East Central of Miles in 1987.

At the end of the last decade, Blue and Gold Illustrated, the official football newspaper of the University of Notre Dame, selected a pivotal game for each decade. Well I have selected a pivotal game for each decade in Irish basketball. In the fifties, it was the one point win over Lyons High School in the sectional final at Goose Lake when Dick Lingle connected from center court at the buzzer. In the sixties, it was our 61 to 42 victory over Clinton High School in the district final at Yourd, our first cage win ever over the River Kings. In the seventies, it was our 52 to 50 victory over Iowa City Regina in the district final at Muscatine when Brent Murphy swished a jumper from the top of the key at the buzzer. In the eighties, it was the 59 to 54 win at Clinton High School, the first victory over the River Kings in 16 years. And in the nineties, it is the 64 to 56 win over Iowa Mennonite of Kalona in the sub-state at Cedar Rapids Prairie for our first trip to state in 16 years.

Keeping the Spirit Alive!

The WAREHAM REUNION

The Wareham family gathered to celebrate a high school graduation in Chagrin Falls, OH. During the reunion, the St. Mary's alumni sported their "Blue & Gold" attire. Ah, the Irish spirit is alive and well!

Seated in the photo are Anne Hogan Wareham (SM'65 and married to Jerry) and Ullainee Pitts Wareham (SM'30) of Davenport, IA. The "Wareham boys" from left to right include James L. Wareham (SM'57), President of A.K. Steel in Cincinnati, OH; John (Jack) P. Wareham (SM'59), Chairman of the Board of Beckman-Coulter, Brea, CA; Jerrold (Jerry) F. Wareham (SM'66), President of PBS Station WVIZ, Cleveland, OH and Chairman of the Board of American Public Television.

Family, friends and Prince of Peace Parish helped the Warehams establish the Lyman and Ullainee Wareham Scholarship Fund through the *Prince of Peace Education Foundation*. The Scholarship Fund is in honor of their late father, Lyman (SM'30) Wareham, and mother Ullainee. Lyman and Ullainee were both able to attend Catholic school at St. Mary's due to the generosity of others. The Wareham Fund generates income to be used for scholarships to Trinity Elementary School and Mater Dei High School students. We thank the Wareham family for their continued support of Catholic education in Clinton, Iowa.

A California "Slumber Party"

Then (1956) gathered at the home of Mary Ann Buelow, North 3rd Street, Clinton are (on floor, from left) Mary Minor, Mary Ann Buelow, Jeanette Darr, and Jean Ryan. Back row, Carleen Gruntorad, Mimi Melvin, Pat Lawlor, and Mary Ann Evans. **Now (1999)** gathered at the California home of Mimi Byrne are (on floor, from left) Mary Ann Buelow, Jeanette Hensley, Jean Jackson. Back row, Carleen Minaldi, Mimi Byrne, Pat Fernandes, and Mary Ann Walsh.

"Some from the SMHS Class of 1956 could use a nap," states Mary Ann (Evans) Walsh. She was referring to the California reunion of six lifelong friends who had not seen each other *en masse* in about four decades. So the plot was to get together during a winter day and reunite at the home of Mimi (Melvin) Byrne in Ramona, CA. "We had a lot to catch up on, and we mostly just talked for five days. And we laughed. We discovered a strong bond still exists among

" One afternoon they also managed to see two more former classmates who live in California, Dennis Dinneen and Holle.

Carleen now lives in Texas, Pat in Seattle, Jeanette from Santa Rosa, CA, Jean from Connecticut, Mary Ann Buelow from St. Paul and Mary Ann Walsh from Maryland.

Noteworthy

1920's

Congratulations to **Ward Markley (SM'27)** on his 90th birthday. Ward lives in Fort Worth, TX, but returned to Clinton for his open house birthday celebration. Happy Birthday Ward!

1930's

Helen (Reynolds) Andersen (OLA'36) of Santa Rosa, CA married Virgil in 1937 and had 3 sons and a daughter. Virgil died in 1981 and her daughter in 1995. Two sons live in Santa Rosa. She enjoys her 6 grandchildren and 3 great grandchildren. The classmates of 1936 are requested to write to Helen. Her address is available at the Prince of Peace Alumni office.

Marie (Frett) Salutz was the last one she heard from. Clinton holds a big part of her heart, her four years at OLA were wonderful, happy and worry free.

Maggie Dillon (SM'36) and her sister **Helen Koebel (SM'38)** recently enjoyed a trip on Amtrak to Seattle and were met by **John Herrity (SM'38)** who gave them a great tour of Seattle.
